

NORWAY IS NOW A MEMBER OF THE ISA!

From left to right: **MATS GRAFF-WANG**; **ARNFINN BERG**; **TOM ZELow BLIKSMARK**; **HALLVARD FLATLAND** and Michael Zellner, ISA President.

On the left we have President Michael presenting the Norwegian President, Hallvard Flatland, a plaque to commemorate their acceptance into the ISA.

Normally I would crop the pic above to ensure full view of the upper body of the individuals!! However; with **Colourful Shorts** like that, **HOW COULD I??**

Given that our courts were **significantly different** from the courts to which they were accustomed, their performance was **NOT BAD!!** We look forward to their continuing participation. They added a great deal of **COLOUR** to the event >> both metaphorically and in reality!!
