

UK SHUFFLEBOARD ASSOC.

2016 ANNUAL REPORT

During its first full year of existence the UKSA has grown slowly but surely. With the help of some ex-pat Britons in the US we have been able to field both male and female teams in the World Championships for the first time, an accomplishment of which we are rather proud.

Several new playing groups have started in the Norwich area largely as a result of the visit in 2015 of the Allen's travellers. With the opening of the London Shuffle Club, similar to the Royal Palms in New York, we are hoping the increased publicity will result in more interest in the sport.

In May 2016 we were pleased to host an international competition with Team Germany which proved highly successful even though it did emphasise we in the UK have plenty to learn about shuffleboard at this level.

We anticipate increasing our membership in the coming 12 months and look forward to competing in the first European championships I Hohenroda Germany next March.
