

It's been a busy year as always. I want to thank Jim and Beth Allen for all their help with the ISA and getting my equipment to Birmingham, Alabama for the National Senior Games. We had 180 shufflers.

The National Veterans Golden Age Games in Biloxi, Mississippi were a great success again with 444 shufflers.

I also want to thank Dale & Sheila Monday for helping disabled military veterans in Arizona learn how to play shuffleboard. It would be wonderful if all of the clubs near a Veteran's Administration Facility would contact the Veteran's Rehabilitation Department to start a similar program.

I send my thanks to everyone that promotes the game! Have fun in Brazil!

Rob Robinson, President  
USA National Shuffleboard Association
