

CANADIAN NATIONAL SHUFFLEBOARD ASSOCIATION 2018 REPORT  
ASSOCIATION CANADIENNE NATIONAL DU SHUFFLEBOARD

The Canadian National Shuffleboard Association is having a very busy 2018. The Foothills Shuffleboard Club in High River has been working very hard getting ready for the 37<sup>th</sup> ISA Team Championships in July. Most everything is in order and we are looking forward to a great tournament.

We have two CNSA tournaments this year, one in Ingersoll Ontario and another in Coldwater Ontario.

There has been a couple of new Clubs open up in the Canadian West. One in Edmonton Alberta, and another in British Columbia. Ontario also have a new club or two starting up.

We are still looking for ways to get younger retirees involved in playing this great game. We have tried evening shuffleboard and it works for a while, but they seem to dwindle off we have to keep pushing younger players to come out and participate.

Next year 2019 we are having an inter Provincial tournament in Coldwater Ontario and we have a lot of players from the Province of Quebec. There are a great number of Shuffleboard players in that Province who play at their winter homes in Florida and Texas. They just do not get involved in playing shuffleboard in Canada. This past winter while attending a Tournament in Southern Florida I met with several Quebec players and they were very interested in taking part in the 2019 inter Provincial.

We have a new 2<sup>nd</sup> Vice President in the CNSA Glenda Brake. Glenda is from Newfoundland, She is a great addition to the CNSA Executive. Last year we changed our Bylaws so each and every Province would have a say in the running of CNSA having a Vice President from that eastern Province will be a great asset. Our new Board of Directors will be in place this July. We are looking forward to a successful transition.

Submitted By James Corbeil President Canadian National Shuffleboard Association
