

Nations report from NORWAY

There are no big changes for Shuffleboard in Norway.

The seasons starts early in January with an indoor-tournament – followed by a New Year-party in the evening. At this dinner we also celebrate the "Player of the year". For 2018 the winners were Lille Nielsen berg and Johnny Wilhelmsen.

The tournament was won by Olav Hansson and Ann Kristin Hellerslien.

In May we celebrate Spring in Norway with the first outdoor-tournament of the year.

The winners were Kristin Gjelseth and Mats Graff-Wang.

Kristin took another victory in our Summer-tournament, and Olav Hansson also won his second victory of the season winning the men's tournament.

In August we played the Norwegian Championship, and Kristin made her hat trick by winning again! Mats won his third national championship among the boys!

We also have our mixed championship – or the divorce tournament – as we like to call it☺ For the third time in a row Ann Kristin Hellerslien and Arnfinn Berg ended up on top of the podium! Very impressive!

Norway was also represented in The European Championship in Germany in March. Kristin Gjelseth ended up with a silver medal as our best result.
