

German Shuffleboard Association e.V.

Annual Report 2021

Due to the ongoing pandemic, the German Shuffleboard Association was not able to offer the same training and tournament opportunities in 2021 as it has in previous years.

However, we began to take up regular practice and - circumstances permitting - we plan to hold the national German Championship at the end of November 2021.

While we regret the cancelation of the 2021 World Championship as well as of the European Championship in 2022, we are thankful that all GSA members continue to be in good health, and we are looking forward to the 2022 World Championship in Canada.
