

BRAZILIAN SHUFFLEBOARD ASSOCIATION 2022 ANNUAL REPORT TO THE INTERNATIONAL SHUFFLEBOARD ASSOCIATION

August, 15th, 2022

Hello all,

Shuffleboard in Brazil is growing every year. We have restored and reactivated the concrete court at the AABB Club in Niteroi (the same club that hosted the world championships in 2005). The players from Niteroi and Rio are practicing there friendly once a week.

Besides that, we continue to promote the sport through public presentations in parks, schools, recreational clubs, etc, mainly in Niteroi and Rio.

We are looking forward to the event in Ingersoll, Ontario, Canada. We would like to wish the organizers and the participants a wonderful time, with lots of excitement making new friends and seeing old ones after 3 years since the last ISA Championship took place in Austria. Unfortunately for another year we will not have a Brazilian team. But once more our vice-president Paulo Pavao will be proudly representing our nation. He has never missed an event since he started playing shuffleboard in 2014!

Best regards,

Bernar Borges
President

Paulo Pavao
Vice-President
