

German Shuffleboard Association e.V.

Annual Report 2022

Having had few opportunities to play Shuffleboard due to the pandemic during the last two years, at the end of 2021 we finally returned to our regular training and tournament schedule.

At the close of 2022, the GSA will have hosted a total of 10 indoor and outdoor tournaments.

Additionally, we are delighted that another shuffleboard center was opened in Travemünde on the Baltic Sea. With this newest addition, the GSA now has 5 permanent locations for playing Shuffleboard across Germany.

Travemünde will also be the venue of the 3rd European Championship which will take place in March of 2023. We hope to greet all of our European Shuffleboard friends there!
