

BRAZILIAN SHUFFLEBOARD ASSOCIATION 2023 ANNUAL REPORT TO THE INTERNATIONAL SHUFFLEBOARD ASSOCIATION

August, 30th, 2023

Hello all,

2023 has been one of the most fruitful year for Shuffleboard in Brazil since 2017. We have established partnership with some public organizations, such as Sports commissions from Rio (state) and Niteroi (city). They are supporting ABS on the promotion of the sport through public presentations. We expect to have good news soon. Follow ABS on Instagram to stay tuned.

We are really looking forward to the very special edition of the ISA annual World championship, in less than two months in St Petersburg, Florida, USA. We are happy to attend with several Brazilian players after 5 years. We have welcomed new members into our association, which are dedicated players, that certainly will be seem again at future events. And hopefully more new faces will appear next year in Texas.

Best regards,

Bernar Borges
President
